The ROTARY LIFT Promise

1. We have the products you need – where you need them. Promise.
2. We design and test our products to perform when you need them - without letting you down. Promise.
3. We provide the highest quality available on the market today. Promise.
4. We put our experience to work for you, so you can do what you do best. Promise.

Over the last ten years, our customer satisfaction levels have exceeded 96%! Work with us and you’ll be satisfied as well. We promise.
7,000 - 10,000 lb. Capacity 2 Post Asymmetric Lifts

Rotary Lift SHOCKWAVE™
TWICE As Fast As Any Standard Lift!

Shockwave’s patent pending DC control system uses 2 standard group 24 batteries to give you the speed you need to increase your service orders per bay. And it’s 110v battery charger means there’s no need for expensive 220v wiring.

25 second rise time!
19 second descent!

Spreads based on weight of vehicle

Accelerate your productivity immediately!
Increase your number of service orders per bay!

“We can get them (vehicles) up in the air and spend more time on their inspection which is the most important portion of our service. It’s amazing how much faster we can service vehicles.”

Brent Ross, Service Director, Germain Nissan

Model shown: SPOA10N5G0BL
with three-stage front arms and round rubber adapters

RHA - 3 stage arms give more reach - perfect for low profile vehicles

7,000 - 10,000 lb. SHOCKWAVE Asymmetric Two Post Lifts

Model shown: SPOA10N700BL
with standard arms and three-stage flip-up adapters

Asymmetric Lift Arm Adapter Packages

Three-Stage Flip-Up Adapters with built-in height adapters on standard arms

Model shown: SPOA10N5G0BL
with three-stage front arms and round rubber adapters

Model shown: SPOA10U5G5RD
with two-stage arms and round rubber adapters

Model shown: SPOA7U7N5RD
with fixed front pads and three-stage rear arms

Model shown: SPOA7U6X5RD
with drive-over moveable pads
